## F72395 Slaughtered pig 1/72 suspended on a pulley

S tištěnými figurkami pracujte podobně jako s resinovými. Opatrně odstraňte tiskové podpory, silnější pomocí žiletkové pilky, tenké odlomením pinzetou nebo prsty. Očištěnou figurku nastříkejte základovou barvou (surfacem) a barvěte modelářskými barvami.

You can work with printed figures the same way you work with resin figures. Carefully remove the print supports - use a razor saw for the thicker ones, the thinner ones can be broken off with tweezers or just fingers. Once the figure has been cleaned, spray it with a surfacer, and use modeler paint.
