

1/48

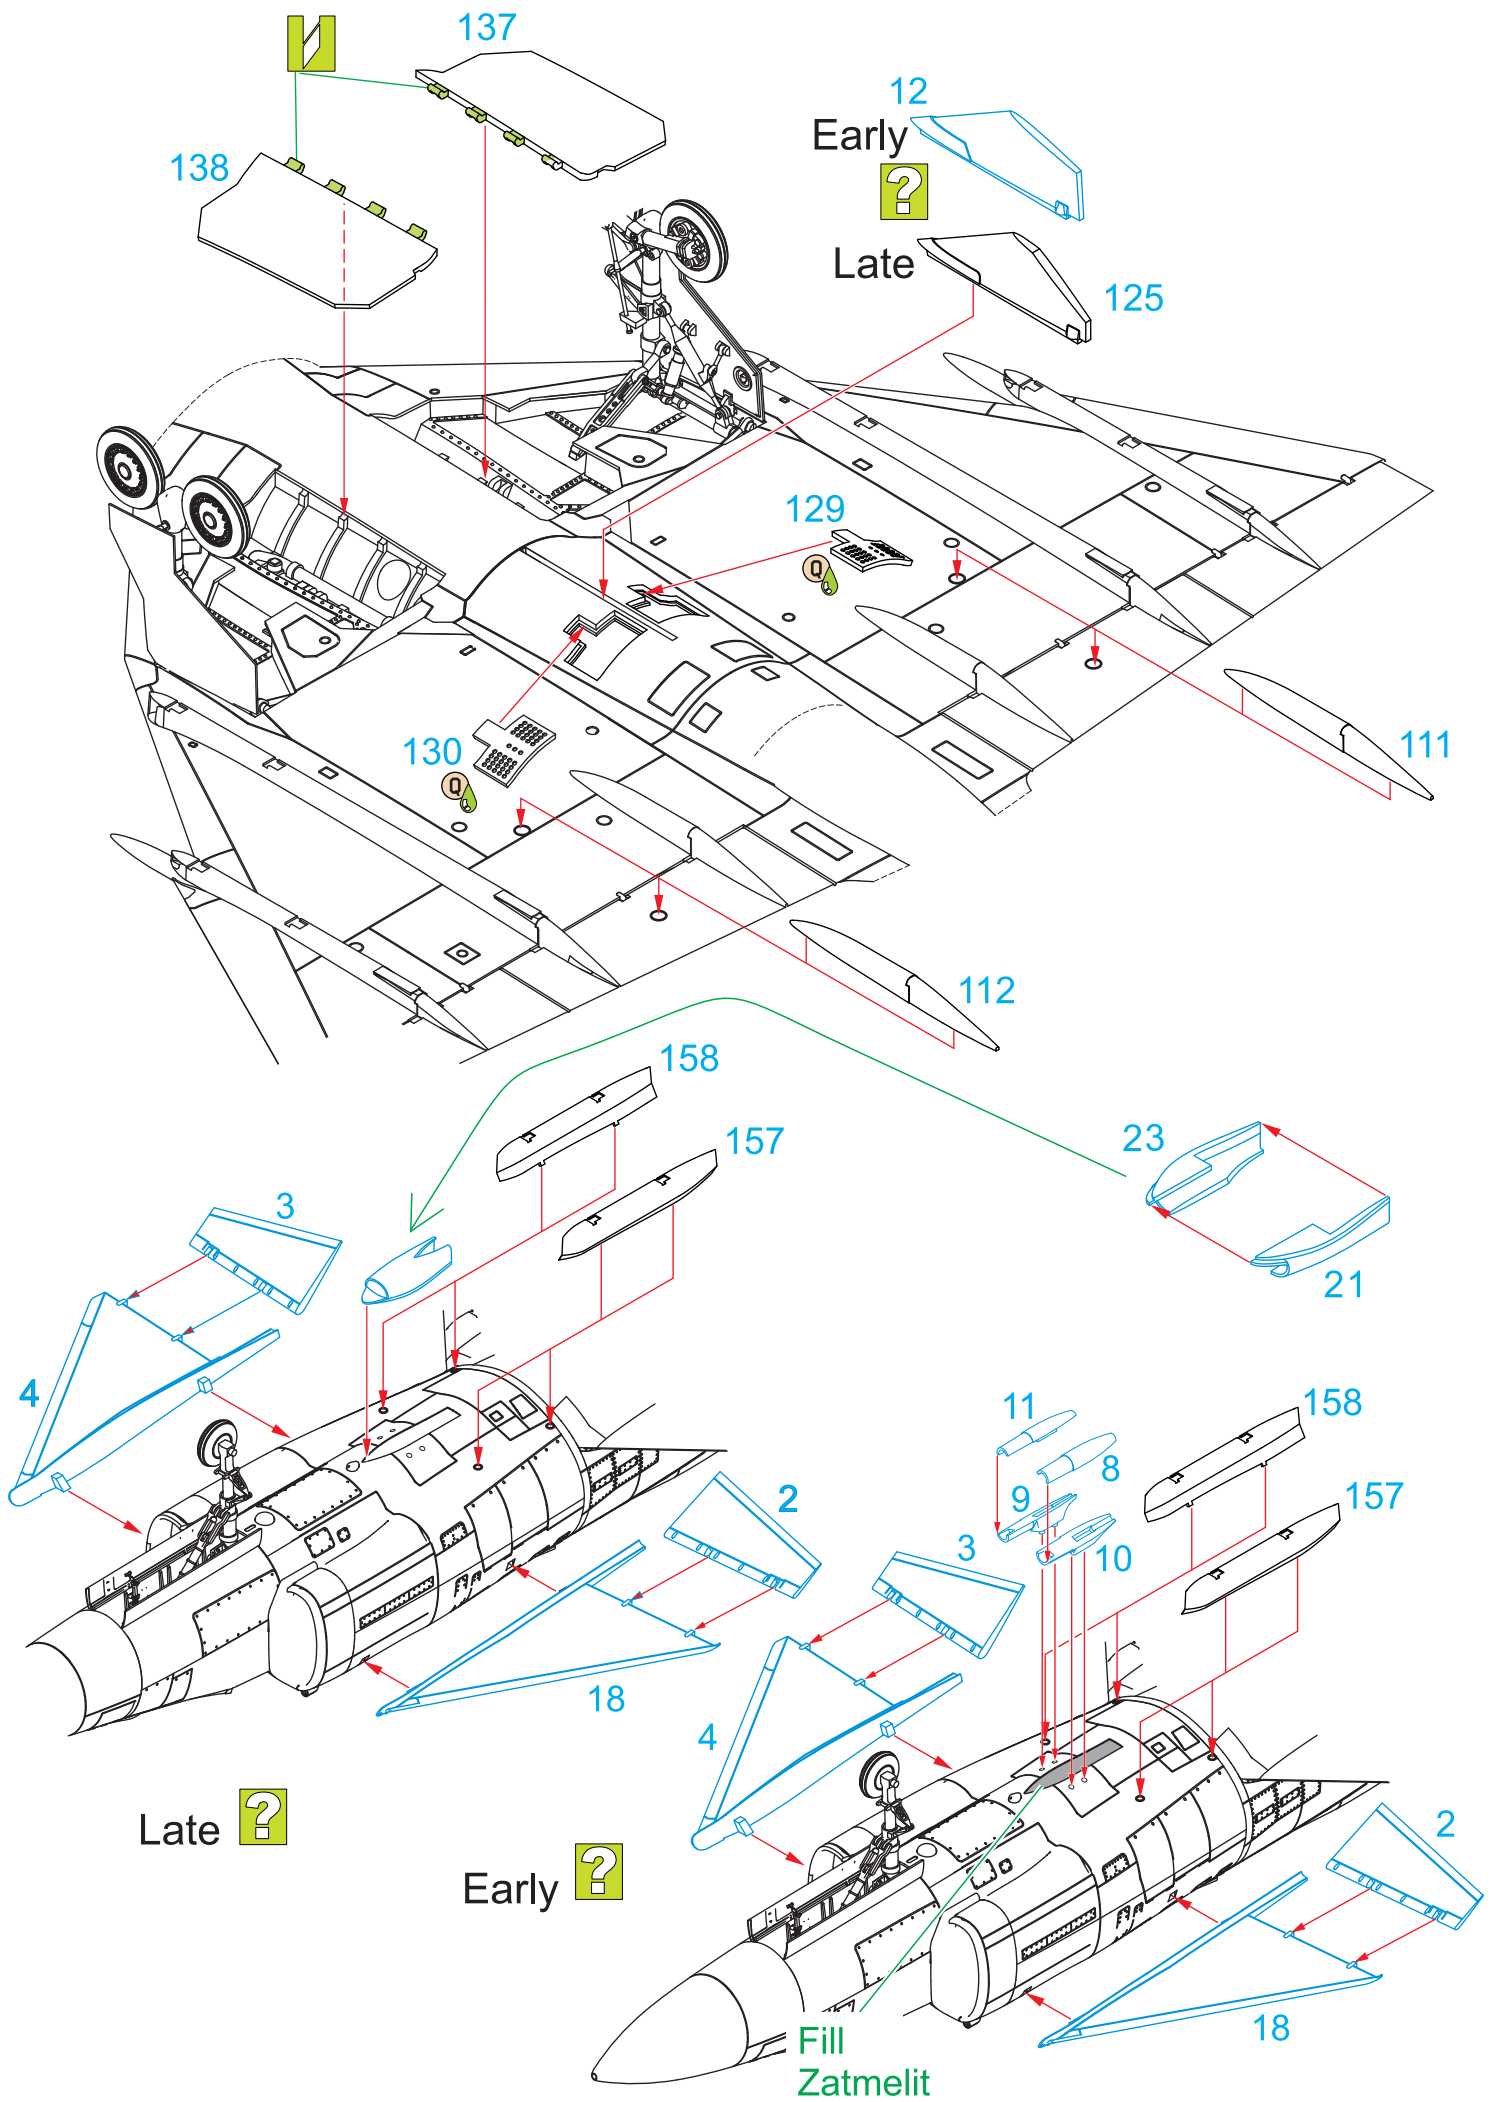

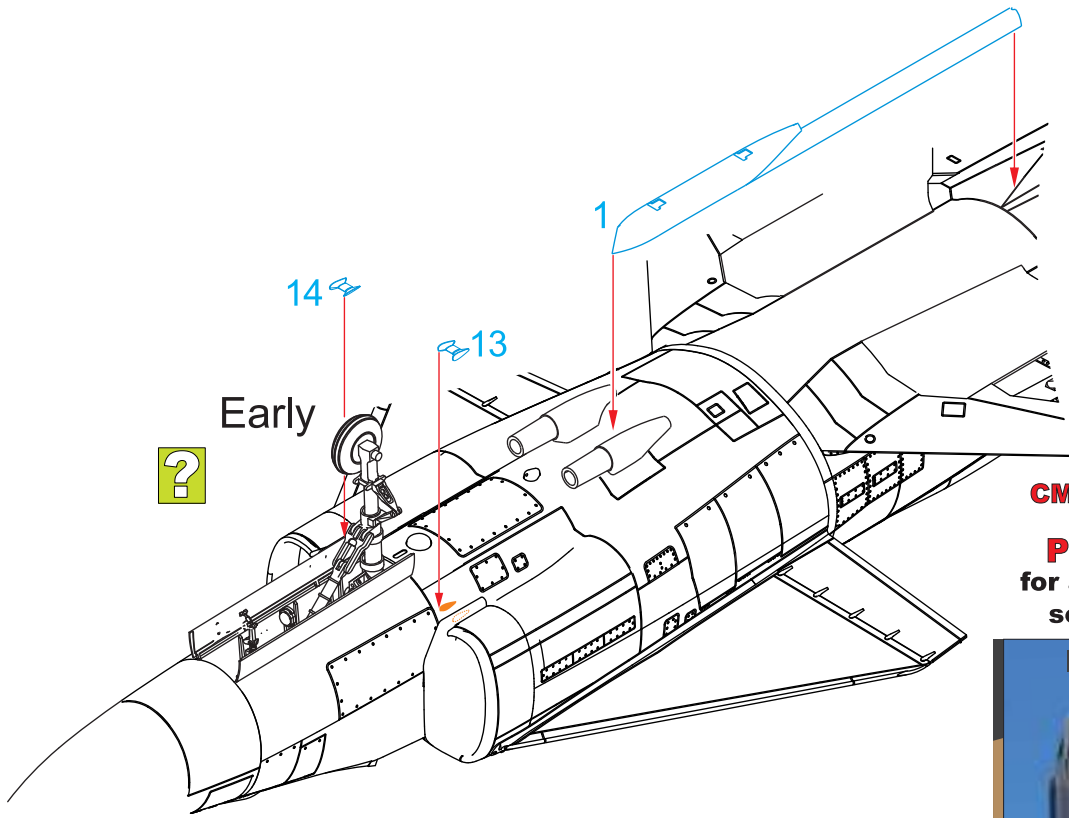

This new sprue contains all the parts you need to improve 1/48 Special Hobby's Viggen kits #SH48148 (first release) and #SH48188 as well as the first releases from Tarangus. Instructions in this leaflet show just the steps the new parts (given in blue) have impact on.

Výlisek je určen pro vylepšení modelů Viggen firmy Special Hobby SH48148 (první edice), SH48188 a modelů Viggen firmy Tarangus prvních edic. Návod ukazuje jen příslušné stavební kroky. Nové díly jsou v modré barvě.
